Mark Wilkinson is Senior Pastor at Werribee Baptist Church and is passionate about mentoring leaders and helping people to find their place in the church. He comments, "I aim to keep our eyes on Jesus and the community He loves at the same time!" Mark has served in this role since July 2004, leading the church through a significant stage of growth and team-building. He is married to Lyn and they have two young children. In spare time, Mark loves watching sport and solving Sudoku puzzles.

Mark will help us grapple with our role as leaders and explore what it means to be open to God, hope & mission. He reflects: "you cannot be open to God without being open to mission – God has a heart for people and the growth in your heart for God will proceed to having a heart for mission."
