David Chatelier has been a Baptist Pastor since 1983 and has served in established churches, new churches, and as a Regional Minister in Queensland. He has a particular interest in church health and church planting. David was appointed as New Churches Coordinator, BUW in 2010 and hopes to bring his experience in church planting, lecturing, and mentoring church planters to support and resource church planters and new churches, and to assist established churches envision how they can freshly engage their communities in relevant ways and be involved in the joy of giving birth to new churches. David and Anita have five children and the whole family are united in their support of AFL team Hawthorn.

At Warrnambool David will inspire us in our role as leaders, particularly in helping our churches relate to our broader communities, and explore what it means to be open to God, hope & mission in all that we do.
