## Christmas Prayer Activity

**No one has ever seen God; Jesus who is the same has God has made him known. John 1:18**

Each person will need a strip of transparent plastic (~5x10cm). Overhead Transparency sheets or plastic book covers are ideal.

Pre-punch a hole and thread through a loop of fishing line, so it can be hung as an ornament.

Each person will also need a small lump of coloured plasticine.

As you move through the prayer, demonstrate forming the plasticine according to the pictures, Invite the whole group to join in the phrases in bold.

**Loving God, You are so great.** You are far more than we can see all at once, and so you seem invisible to us.

**But we see your goodness** and your creative power all around us in the world that you have made.

**Thankyou for making  
us all;  
everybody unique  
and so precious to you.**

**Thankyou for  
becoming a tiny baby,  
just like us, with a  
body, and feelings, and  
thoughts and ideas – so  
we can understand you  
better, get to know you  
and see the ways you  
want us to live.**

**You came as a poor child,** into a world of war, vulnerable to violence, and became a refugee. You grew up and suffered injustice but never stopped showing love.

**We pray for all people** and especially those who suffer injustice, and we pray that we will live lives of Love and Justice like you.
