Caffeine Flavoured Theology

Enjoy a cup of coffee and have a think about what a shot of **CAFFEINE** does in your children and families ministry.
CAFFEINE stands for:

Things **Forming** and taking shape are evidence of the **Creativity of God** amongst us.

Things that are **Integrated** mean we have connections, relationships – which are evidence of the **Love of God** amongst us.

Things that are **Evangelistic** mean we are hearing and telling Goodnews – which is evidence of the **Word of God** amongst us.

Things that happen in **Neighbourhoods** mean we are doing the nitty gritty of life – so right here we look for the evidence of the **Presence of God** amongst us.

And from where I sit, these things are happening **Everywhere** - and we affirm that the whole earth is the Lord's, and that the kingdom of this world is become the **Kingdom of our God**.

Probably you already are having regular doses of **CAFFEINE** – great! Give thanks and glory to God, and share your story with others. Inject **CAFFEINE** into our church culture and our local culture.
