Welcome Mat: A Resource for Opening the Bible with Children, Adults and Teens

By Beth Barnett

Reviewed by Darren Conshawn

Welcome Mat is a 22-page booklet of ideas and principles for family worship, especially for those bringing in their children.

Welcome Mat offers a big help for any family or church group who wants to have a family devotional time together. The introduction gives an overview of the book and includes some tips for getting started. The book is divided into three sections: welcome, worship, and family devotions.

Welcome Mat is a resource for opening the Bible with children, adults, and teens. It focuses on creating an atmosphere where everyone feels welcome and respected. It is designed to be used in a group setting and encourages active participation from all members.

Welcome Mat provides a variety of ideas and resources for families who want to open the Bible with children, adults, and teens. It is a valuable resource for anyone looking to create a welcoming and engaging atmosphere for family devotions.
