

Day 5 – Dangerous Prayers for Dangerous Times

Prayer

Let's Pray:

- Has He been asking you to stop and listen to Him, but you've been keeping as busy than ever?
- Has he challenged you about your anxiety, but you have been adding to an invisible list of more and more things to be anxious about?
- Did the Lord shine a light on a hidden sin or attitude and rather than repent or ask someone to pray for you instead, you remained hard-hearted and justified away your actions or sin?
- Is there a relationship, a person, a feeling or even an event that God brought to your mind that you have neglected to follow through on?
- Is there a missional imperative from your prayer of "Lead me" that speaks of new beginnings, new ways, new innovations where the view is "out" rather than "in"?

2 John 6 states: 'And this is love: that we walk in obedience to his commands. As you have heard from the beginning, his command is that you walk in love'.

Pray also for:

- The members of your group and their concerns

The three people you have committed to pray for each day who are not followers of Jesus

- [The April 17th BUV Calendar prayer](#) - "Protection for Health Care Workers"
