

## Day 6 – Dangerous Prayers for Dangerous Times

### Prayer

Let's Pray:

How do you think your life might change if you prayed daily a daring, faith-filled prayer of whole-life devotion to the one who gave it all for you?

Pray:

God may my hands be your hands in the world today - I devote the work of my hands to you. Empower me to be productive today, honouring you in all the work that I do. Help me God to do everything for your glory. Lord, direct the steps of my feet. May your Word be a lamp directing all my steps. Guide me to the right places and right people so I can serve you best today. Keep me from the wrong places that might tempt me to sin against you. Guide my feet, Lord, into your perfect will. God, my whole body is yours, I know that before I was even created, you had good works, prepared in advance for me to do today. Use me, God, to do them all. Help me to see needs and meet them. Show me those who are hurting that I could encourage them. Direct me to those without you so I could help them know your goodness and grace.

God, I devote every part of me to you and to your will today.

Here I am, Lord. Send me.

Pray also for:

- The members of your group and their concerns
- The three people you have committed to pray for each day who are not followers of Jesus
- [The April 18th BUV Calendar prayer](#) - "Protection and provision for the marginalised in society"
